Welcome to The Online Radio Frequency Licensing Services

The Online Radio Frequency Licensing Services are provided to enhance the radio frequencies licensing service to be easy, quick, accurate and transparent, and involving the service participants as an important part of the public service organization.

In the case of the use of these facilities, users must:

1. Agree and be capable to fulfill the conditions of use of radio frequencies according to the law.
2. Agree to pay the license fee of the Radio Frequency Spectrum.
3. Complete the factual data and licensing requirements.

All forms of abuse in this service due to the negligence of the service is the responsibility of the users.

The screenshot displays the SDPPI KOMINFO website interface. At the top, there is a navigation bar with a dark teal background. The navigation menu includes 'Home', 'Applications', 'Licensing Overview', and 'Reports and Statistics'. The 'Licensing Overview' menu is expanded, showing 'Track Applications', 'Active Licenses', and 'Archived Licenses'. A red box highlights the 'Track Applications' option, and a red line points from a text box above to it. The background of the page features a city skyline at night with various network-related icons (Wi-Fi, home, car, etc.) overlaid. Below the navigation bar, the main content area has a white background. It starts with a heading 'Welcome to The Online Radio Frequency Licensing Services'. Below this, there is a paragraph explaining the service and a list of three conditions for users. At the bottom, there is a dark teal footer with social media links (Facebook, Twitter, Instagram, YouTube) and the website URL 'sdppi.kominfo.go.id'. The footer also includes a copyright notice 'Copyright 2023 LS telcom AG - All Rights Reserved' and a version number '1.0.10.1_2_Pbab76a6'.

Welcome to The Online Radio Frequency Licensing Services
